5 Bedrooms | 4 Bathrooms | 3,719 Sqft

Welcome to a true masterpiece! Situated above the shores of Okanagan Lake in sought-after Lakeridge Estates, this 3700sq/ft, 5 bed Heartwood Homes crafted Rancher w/ walkout basement is sure to please those looking for luxury, practicality, & maintenance-free living. Stepping through 9 tall double door entrance, you'll immediately notice extraordinary attention to detail. From the elevated living room ceiling w/ beam detail to the sleek tiled fireplace surround; hand-selected quartz kitchen countertops w/ extra-deep edge; tiling perfection throughout the spa-like ensuite; epoxy finished garage floors; stamped concrete on spacious upper deck; even round handcrafted cabinetry in walk-in closet! It's not only **QUALITY** that draws one to this lovely property, it's also **DESIGN**, emphasizing easy flow from one living space to the next. Whether entertaining in the welcoming living room, preparing & enjoying meals in the kitchen w/ convenient butler's pantry & dining room w/ floor-to-ceiling windows, or stepping out through double glass patio doors incorporating your huge covered deck area into the living space, where you can take in scenic lake & valley views. And finally, w/ a large 3 car garage for toy and car storage; EV power; a legal self-contained one-bedroom suite; extra RV parking w/ sewer, water & power; low-maintenance,

Dan Reinhardt
